Barry N. Wasserman, M.D.

WHAT OUR PATIENTS ARE SAYING...

2 years ago my older son Anton had eye surgery and Dr. Wasserman did such a perfect job, on all levels! Anton still talks about him, how funny he is and each time he has a check-up, he can't wait to go! That's how I got to know Dr. Wasserman and as our experience with him was so good, I thought I could have LASIK with him. Having put my child's eyes into his hands, I knew I could trust him. And it was great, beyond my expectations! I would definitely recommend Dr. Wasserman to anyone! [read more](#)

Springtime and Your Eyes

Allergies and dry eyes can be a big problem this time of year. We all love the onset of spring with the flowers and trees blooming and warm weather, but spring and your eyes sometimes don't get along. Spring allergies are tough enough but combined with dry eye syndrome, it can be a very unpleasant time of year. If you wear contact lenses, it can be downright miserable!

Although we look forward to enjoying the colors and scents of spring, it can also wreak havoc with your vision. If you are experiencing itchy, red eyes, blurry vision, you may be symptomatic of one or both of these issues: spring allergies and dry eyes.
